#### **Structure, governance and management**

##### **Governance and Trustees**

Govan and Craigton Integration Network changed its name to Govan Community Project on 20 December 2016. It incorporated as a company limited by guarantee and is a registered Scottish Charity.

The Company is governed by the terms of its Memorandum and Articles of Association.

Govan and Craigton Integration Network (now Govan Community Project) was incorporated as a company on 22 December 2010 and is limited by guarantee. It has been recognised as a Scottish Charity by the Office of the Scottish Charity Register (OSCR).

During the year any member who has been a member for at least 6 months may submit an application to the board to become a director. This application will be discussed at the next board meeting and if found to be appropriate the applicant will be invited to attend a board meeting. The board will then vote whether to appoint the member or not.

At the Annual General Meeting members may elect any member providing he or she is willing to be a director and have been a member for a period of 6 months. We plan to submit a change to our articles regarding this to bring the application process into line with the application process throughout the year.

All new Trustees receive initial induction training which covers an overview of the organisation, our mission, vision and values, strategic objectives, service delivery, governance protocols, financial information, overview of the asylum system, safeguarding and online guidance videos from OSCR. the Chair also conducts a training needs analysis with new Trustees.

Trustees have access to free training offered in trustee's week and also access training via SCVO. The board also meet bimonthly for trustee development sessions.

Role specifications have been developed for the office holder posts to determine objective criteria for the appointment of new trustees.

Periodically, advertising is undertaken with a new talent pool identified for succession planning.

We have not adopted the Charity Governance Code but adhere to OSCR guidance.

##### **Organisation structure**

Govan Community Project (GCP) is managed by the head of the charity, Traci Kirkland, who is supported by 2 Operational Managers and a Business Development Manager, who are in turn supported by 2 project leads. The management team oversee a team of 21 part time staff who undertake frontline service delivery activities.

The Head of Charity attends board meetings and make reports on progress and opportunities, with input from the rest of the management team but has no voting rights on matter of policy and company direction. GCP occasionally employs sessional staff as required to run specific activities.

VoiceOver, the social enterprise which supports our work is overseen by the Business Development Manager who supports a part time project manager, and a team of 3 part time administrators.

Lastly, the organisation works with approximately 46 volunteers.

## Company Limited by Guarantee

### Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

#### Year ended 31 March 2024

---

#### Key management remuneration

In the opinion of the trustees there is one member of key management, the Head of the Charity. The total employee benefit paid for this post in 2023-24 was £44,816 (2023:47,946)

#### Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Govan Community Project recognised the number of risks in its activity. These have led to training in those areas. including health and safety, food hygiene, working with vulnerable people and dealing with challenging behaviour.

During the year, safeguarding policies has been updated and new hybrid working policies have been implemented.

#### Objectives and activities

##### Charity purpose

The charitable purposes are to promote equality and integration within and between the diverse communities of the Greater Govan area; and to involve local people and organisations in taking positive action on poverty, discrimination and other life stresses with a focus on education, health, welfare and social inclusion for refugee, minority ethnic and migrant communities.

##### Summary of the main activities in relation to these objectives

- Asylum Support Advice & Advocacy services.
- A community flat which allows facilitation of a men's group, women's group homework club, ESOL classes and bike library.
- English for Speakers of Other Languages (ESOL) Classes
- Food Insecurity Support
- Social enterprise interpreting service
- Facilitation and membership of voluntary, community and local community forums
- Third-party hate crime reporting service
- Cultural events
- Community integration activities and projects
- Health and Wellbeing activities

#### Mission Statement

Govan Community Project's mission is to achieve social justice in the Greater Govan area by building a strong community based on equality, mutual respect, support and integration.

---

# Govan Community Project

## Company Limited by Guarantee

### Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2024

---

#### Thanks

We offer sincere thanks to our volunteers because without their talents, skills and commitment Govan Community Project would not exist.

#### Achievements and performance

##### Summary of the main achievements of the charity during the financial period

2023 to 2024 has seen significant change in the UK political and economic environment. The UK government's Illegal Migration Act was passed and their proposal to remove individuals seeking asylum to Rwanda was ruled unlawful by the Supreme Court. The UK Government then introduced the Rwanda Safety Bill to Parliament.

We have continued to support individuals through the cost of living crisis through provision of destitution support including food pantry vouchers and supermarket vouchers.

#### Strategic plan development

We concluded the work on our new strategy, ready for publishing later in 2024.

As part of our strategic development, we recognise the importance of income diversification and invested in creating a business development manager post, to oversee the future growth and development of our existing social enterprise Voiceover, and support the exploration and development of other socially enterprising opportunities.

#### Funding performance

The organisation secured approximately £201,000 of unrestricted funding (excluding Social Enterprise Voiceover revenues of £352k) and approximately £451,000 of restricted funding in the year. This funding has provided a vital source of income for the organisation, creating stability and a platform to sustainably develop the organisation so that it can continue to support our community.

#### Voiceover performance

Our social enterprise, Voiceover, saw approximately 36% of revenue growth with a consistent 39% Gross Margin. The continued adoption of digital interpreting services has provided a platform to offer services to a wider market. Building on this success is seen as a key opportunity for the organisation.

#### Operational performance

We moved to a new office premises which provides us with a more functional space, with added confidential space for our advice and advocacy services.

Since the office move, our advice and advocacy service moved to seeing more individuals on a face-to-face basis. Demand for our advice and advocacy support is consistently on the rise, with our helpline receiving more calls than ever before. The team also continue to provide crucial practical support through the distribution of sim cards, food pantry memberships, travel passes, baby packages and supermarket vouchers.

Our communities' team have further enhanced community engagement support through the introduction of a community welcome meeting, providing a welcoming space for community members to find out more about not only how GCP can offer support, but what else is available in the local area. This new development has also created new volunteering opportunities.

Our men and women's groups have continued to provide weekly support, providing opportunities for community members to provide peer support, and empower individuals to share their existing

---

### Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

#### Year ended 31 March 2024

---

knowledge and skills and learn and develop new skills, and participate in a wide range of activities which build resilience and reduce social isolation.

Our community action research work has extended, and we now have two groups delivering work on different issues of extreme importance to the barriers our community faces. Our Food for All Group have continued their work in partnership with Nourish Scotland and have designed and developed materials and training workshops for community food providers and delivered workshops to groups which raise awareness of the barriers faced by people seeking asylum when accessing food, and also explore the dignity principles in relation to community food provision.

Our new lived experience project is our Ending Destitution Together Group who are working with the Scottish Government on evaluating and informing the implementation and development of the Ending Destitution Together strategy, providing invaluable input to the Ending Destitution Together policy team and delivery partners on the real impact of destitution at a grass roots level.

Our ESOL classes returned to face-to-face provision, and this has been complemented by the continuation of our online classes. Where resources have allowed, we have increased accessibility of classes through the provision of travel costs and childcare costs. We were also able through funding develop our ESOL classes to provide more support in practical application of language skills through combining classroom learning with practical activities such as shopping, excursions and community meals providing students with opportunities to practice what they are learning in the class.

Our social media presence was maintained, and we changed the model of our newsletters to provide more regular updates.

We secured additional funds to maintain our bike library service and increased the level of volunteering opportunities available to support the bike library.

Our homework club continued to support children and families in the Mossheights area of Cardonald, and we made more improvements to ensuring the children's involvement in the development of the homework clubs. The Homework Club has provided on occasion support to families to engage with other services and we have been able to support children to take part in fun activities and opportunities which they otherwise potentially could have been financially excluded from participation in.

We have continued to support health and wellbeing for our community members through the ongoing delivery of our walking group, facilitating a running group, providing access to free gym passes and the introduction of a wellbeing group, which is providing mental health awareness sessions along with group support to recognise and develop coping skills for self-managing mild mental health symptoms.

We have continued to support a team of 35 - 40 volunteers who support all of our services and without whom we could not deliver the range of support services that we currently offer and have developed more training opportunities to support our volunteers including trauma informed training and inclusion training.

We have continued to work with local and national partners to support lobbying and campaigning on issues in relation to the hostile environment and policy/legislative changes. We have worked with local partners in Thriving Places to engage in wider community activities, including working with partners to facilitate winter warmer events as a response to the cost of living crisis and working with Urban Roots on the delivery of community meals.

#### **Financial review**

Income and expenditure for the 12-month period is set out in the statement of financial activities (the SOFA) on page 16 and the accompanying notes. Total income for the charity amounted to £1,003,947 including income from grants and donations of £644,637. Grants were received from the Scottish Government and other charitable trusts as shown in note 5 on page 23-24. Income from Other Trading

---

# Govan Community Project

## Company Limited by Guarantee

### Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

#### Year ended 31 March 2024

---

Activity amounted to £352,340 as shown in note 6 on page 24. Other income amounted to £6,970 as shown in note 7 on pages 25. Expenditure has been analysed between other trading activities in note 8 on page 25 and Expenditure on Charitable activities in note 9 on page 25. Total expenditure for the 12-month period amounted to £925,281.

Voice Over had income in the accounts of £352,340 and expenditure of £235,920, so provided the charity with Net Income of £116,420 that can be used for charitable purposes. Taking this into account, the total income that can be put towards charitable purposes is £768,027, which is the £644,637 from Grants and Donations, £116,420 for the Net Income of Voice Over and £6,970 of other income.

There was surplus of £78,666 during the period. Unrestricted funds increased by £43,227 while restricted funds increased by £35,439. Details of the movement in funds are shown in note 21 on pages 28-32. Funds of £226,739 are carried forward, of which £38,820 is held in restricted funds, £14,000 in the fixed asset fund (equivalent to the carrying value of the fixed assets), £136,844 in the VoiceOver fund, £25,000 in the Designated Development Fund and £12,075 in the general fund. The free reserves of the charity which is made up of the General fund and the VoiceOver fund is £148,919.

#### **Principal funding sources**

#### **We would like to thank and acknowledge our funders:**

- The Oak Foundation
  - The Robertson Trust
  - Glasgow City Council
  - Glasgow Life
  - Scottish Government

# **Govan Community Project**

## **Company Limited by Guarantee**

### **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

#### **Year ended 31 March 2024**

---

- Paths for All
- The Alliance Self Management Fund
- Glasgow Health & Social Care Partnership
- R S Housing Trust
- Merchant's House
- Safety Deposit Scotland

**We would also like to thank all other donors where their anonymity and confidence is respected**

#### **Reserves Policy**

Govan Community Project follows OSCR advice where it is recommended that a three-month reserve of unrestricted funds is maintained.

This allows us to respond to emergency situations and would allow a period of planned run down of activity in the event of total withdrawal of major funding.

The Charity reported a Management Accounts surplus in the year ended 31 March 2024

Based on the previous year published statutory accounts to 31 March 2023 and unpublished management accounts to 31 March 2024, the reserves position of the charity is close to achieving OSCR recommendations.

#### **Future Plans**

Govan Community Project will continue to use funds from new and existing grants to continue the services we provide that helps to promote equality and integration within and between the diverse communities of the Greater Govan area; and to involve local people and organisations in taking positive action on poverty, social injustice and other life stresses with a focus on education, health, welfare and social inclusion for individuals and families in the asylum and refugee community.

As an identified strategic objective we will work towards diversification of our income streams to support sustainability of our work.

We hope to publish and launch our new Strategic Plan later in 2024.

### Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2024

---

#### Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

#### Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

#### Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

# **Govan Community Project**

## **Company Limited by Guarantee**

### **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

**Year ended 31 March 2024**

---

The trustees' annual report was approved on ..... and signed on behalf of the board of trustees by:

Gordon Bain  
Trustee

# **Govan Community Project**

## **Company Limited by Guarantee**

### **Independent Auditor's Report to the Members of Govan Community Project**

**Year ended 31 March 2024**

---

#### **Opinion**

We have audited the financial statements of Govan Community Project (the 'charity') for the year ended 31 March 2024 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 24 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

# Govan Community Project

## Company Limited by Guarantee

### Independent Auditor's Report to the Members of Govan Community Project

*(continued)*

**Year ended 31 March 2024**

---

#### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

# **Govan Community Project**

## **Company Limited by Guarantee**

### **Independent Auditor's Report to the Members of Govan Community Project**

*(continued)*

**Year ended 31 March 2024**

---

#### **Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

# Govan Community Project

## Company Limited by Guarantee

### Independent Auditor's Report to the Members of Govan Community Project

*(continued)*

**Year ended 31 March 2024**

---

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the charity, we identified the principal risks of non-compliance with laws and regulations and the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and the Companies Act 2006. We evaluated managements' incentives and opportunities for the fraudulent manipulation of the financial statements, including the risk of override of controls. Based on our assessment we adopted a substantive approach to our audit testing. Audit procedures performed included:

Testing a sample of transactions to source documentation. We select sample sizes having regard to the inherent risk (specific and general), the quality of the internal controls and the risk that our testing might not detect possible misstatements.

Making enquiries of management, those charged with governance and the entity's solicitors around actual and potential litigation and claims. Identifying legislation of particular relevance to the entity and obtaining audit evidence regarding compliance with that legislation.

Auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness, and evaluating the business rationale of significant transactions outside the normal course of business

There are inherent limitations in the audit procedures described above. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example forgery or concealment.

# **Govan Community Project**

## **Company Limited by Guarantee**

### **Independent Auditor's Report to the Members of Govan Community Project**

*(continued)*

#### **Year ended 31 March 2024**

---

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

## Company Limited by Guarantee

### Notes to the Financial Statements

Year ended 31 March 2024

---

#### 1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in Scotland and a registered charity in Scotland. The address of the registered office is 31 Garmouth Street, Glasgow, Scotland, G51 3PR.

#### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

#### 3. Accounting policies

##### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

##### Going concern

There are no material uncertainties about the charity's ability to continue.

##### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

### Notes to the Financial Statements *(continued)*

#### Year ended 31 March 2024

---

#### 3. Accounting policies *(continued)*

##### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

##### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

# Govan Community Project

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

#### Year ended 31 March 2024

---

#### 3. Accounting policies *(continued)*

##### Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

##### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment - 20% reducing balance

##### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

##### Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

# Govan Community Project

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

#### Year ended 31 March 2024

---

#### 3. Accounting policies *(continued)*

##### Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

##### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

#### 4. Limited by guarantee

Govan Community Project is a company limited by guarantee and not having share capital. The liability of the members is limited to £1 each.
